

A QUICK INFORMATION GUIDE

# How to list a Product on DreamLegal

A look at the process and details about Legal Tech Directory

# Agenda

- DreamLegal is helping legal technology companies to build trust and awareness among lawyers about their technology products.
- We are providing a comprehensive listing in our legal technology-specific directory that presents your product in a way that resonates with legal professionals and showcases its true value and the impact it creates.

**Tip:** Complete product profiles on DreamLegal helps you improve the product.

**How:** Check Analytics tab on the vendor dashboard to get detailed insights on your custom segments, viewers and features.

Click on the SignUp/Login button on the top right corner of our website to get started!
